Subject: Brifen Wire Rope Safety Fence- with NCHRP 350 Approved End Anchor- New PRIDE Drawings

The Brifen WRSF detail drawings with approved NCHRP 350 TL3 Anchor are now available for use on the ADOT Roadway Engineering Group website . The details for the anchor system have substantially changed from the previous details. The website address for the PRIDE details is: [http://www.dot.state.az.us/ROADS/Rdwyeng/updates/mfrapp_drawings/index.html/ Wire Rope Safety Fence](http://www.dot.state.az.us/ROADS/Rdwyeng/updates/mfrapp_drawings/index.html/Wire Rope Safety Fence). These details are to be used with all new installations of the Brifen WRSF. Please forward this information to your respective Project Managers, design consultants, designers, and field personnel. Thank you.
